

Biography – Jim Bauer

To my fellow IBS members;

My name is Jim Bauer and I am seeking the position of the IBS Executive Secretary. I have been married to Sally for 21 years. Sally and I own and operate a stone fabrication and installation business. I have been an active member of the IBS since 2008 and shoot 1K and the occasional 600 yard event. I am currently serving on the long range committee. Sally and I have attended IBS shooting events at 10 1K and 4, 600 yard ranges nationwide. I have attended every 1K national event since 2009.

I am a partner with my friend Tom Jacobs in Vapor Trail Bullets. My gunsmith and friend is Gordy Gritters.

My hope and goals for the IBS are a healthy and steady growth, with minimal or no controversy. I would like consistency in the application of our new rules. I have shown my commitment to the LR community and the IBS. I promise to assist in any way possible to help with the overall operations and well being of the IBS without regard for myself.

Sincerely

Jim Bauer
