Short Range #1 The item for change of rule on requiring all participants to be IBS members to participate in any capacity at an IBS Sanctioned Match, as specifically outlined in lines 106-135 in score rule book, to be changed to anyone may participate in an IBS Sanctioned Match provided they are in good standing with host club holding the match. The non-member would only be participating under a fun status; not to be awarded any SOY points or records that they may have otherwise earned. But, this is being offered in an effort to allow them to see how they might enjoy the sport or even use it as a measure to see how they stack-up against the sanctioned shooters. Also, let it be known that, under some clubs Articles of Incorporation and By-laws, existing limits on participation is in direct violation to which these clubs were formed. Furthermore, in the best interest of the sport, this should open new doors for IBS.
