January, 2023 Group Committee Report for the 2022 Shooting Season-Page 2

Group Nationals 2022: The Group Nationals at Fairchance went very smoothly. I would like thank the entire staff at Fairchance for holding an excellent group match. Conditions were very good and World records were broken.

Furthermore, a special thanks to the Benchrest community that raised money independently to build a new target backer system for the Fairchance club. The effort was lead by Larry Costa, work performed by Buddy Ross and some administering efforts from Steve Lee. Thank you all.

Weikert 2022: “The Boop Shoot” is a well attended group match that is back on the schedule. Thanks to the Boop Family and the Trutt’s for all the effort for a great event.

Camillus 2022: “The New York PRO AM” a nicely attended match this year with challenging conditions. Get this on your calendar for 2023. Thank you Bob Hamister and all the staff.

Other Matches:

Thank you match directors for the 3 matches at Canaan, the 2 matches at Southcreek and the 2 matches at Mainville.

2022 Short Range Agenda Items

Short Range #1

The item for change of rule on requiring all participants to be IBS members to participate in any capacity at an IBS Sanctioned Match, as specifically outlined in lines 106-135 in score rule book, to be changed to anyone may participate in an IBS Sanctioned Match provided they are in good standing with host club holding the match. The non-member would only be participating under a fun status; not to be awarded any SOY points or records that they may have otherwise earned. But, this is being offered in an effort to allow them to see how they might enjoy the sport or even use it as a measure to see how they stack-up against the sanctioned shooters. Also, let it be known that, under some clubs Articles of Incorporation and By-laws, existing limits on participation is in direct violation to which these clubs were formed. Furthermore, in the best interest of the sport, this should open new doors for IBS.
