

2024 Agenda Items – Voting Results

LR1 – Change the 1,000 yard course of fire to allow additional sighters/burners in the bank/gong. Lines 890 – 1008 have changes in red. Lines to be added in blue.

Yes = 31

No = 5

Abstain = 12

LR2 – 600 Yards - This agenda item is to change the color of the IBS 600 yard targets to red from the current blue we are using. Clubs will be allowed to use all of the blue targets they have remaining until they are gone. Any record shot on either target in 2025 will be recognized.

Yes = 33

No = 5

Abstain = 10

LR3 – 600 Yards -Returning to the Sighter Plate during Record Fire

The Purpose of this Agenda Item is to combine the Sighter and Record Fire portions together and allow the shooter to return to the sighter plate at any point during Record Fire. Note that it also eliminates the language regarding the use of pits.

Yes = 35

No = 7

Abstain = 6

LR4 - Eliminate disqualification for missing and additional shots on target

Proposal:

Shooters who have fewer than the required number of shots on target will be assessed a 2-inch penalty for each missing shot and receive a score of zero. Competitors who place more than the required number of shots on target will receive the largest possible group and the lowest score. Procedures for crossfire will remain the same.

Yes = 36

No = 8

Abstain = 4

RB1 – This agenda item to not allow any other organizations memberships to be valid at ANY IBS sanctioned tournament. We will remove all language in Group, Score, 1,000 yard and 600 yard rulebooks that allows any other organizations membership card to be recognized as a valid membership to compete in an IBS match.

Yes = 37

No = 9

Abstain = 2

RB2 – Purpose – this is to eliminate the restrictions on officials at our National tournaments. Anything in **RED** will be eliminated and the new language to replace it is below in black.
