1st Winter League Match

We had a nice turnout today for our first Winter League match of the 2018-19 season. Despite expectations the temperature wasn't too bad. The wind however was another story. Gusts were strong and long. A few shots were broken just as a gust came through with predictable results. Tim managed to stay clean until the fourth match when he got surprised, then surprised again in the fifth. Lee was running in second with a great X count, but managed to drop 4 points in the fifth match. Luckily that only moved him down one place. Think about that for a minute!

Our next match will be December 8. Be there for another exciting edition of... the Winter League!
