

2025 IBS SSOY Mid-Year Update

Hey everyone,

Just a quick update: SSOY points are now largely automated, which saves time but also means we need to be extra careful with our data entry.

Match Directors:

- Please upgrade to v18.1 and for each match send the Excel file generated from the "Email Results" option on the Score Entry page to IBS_Score_Match_Results@e-rpo.net. Please do not send the entire score program.
- Remember, aggregating points is different from posting them on the IBS website and if results are not sent to IBS_Score_Match_Results@e-rpo.net, they will be missed.
- Check the list at the end of the points for any missing match results.
- When entering special designations, use parentheses judiciously. For example, if Mary Jane is a junior shooter at her first match, enter her name as: Mary Jane (R)(J)(F) and not Mary Jane (RJF). If autocorrect changes (R) to ®, don't worry, it'll still be recognized as Rookie.

Competitors:

- Make sure your Match Directors are entering your info correctly. Post consolidation changes are difficult, and it is ultimately *your* responsibility to make sure this information is correct before leaving a match.
- If you have a common name like Mike/Michael or Matt/Matthew, make sure it's entered consistently across matches/ranges. Otherwise, the system might think you're two different people.
- If you're a Rookie, Junior, or Female shooter, ensure every Match Director includes (R), (J), or (F) behind your name at each match. Otherwise, again, the system will think you are two different people and split your points.

Bob put a lot of time and effort into this program. If you have any questions or run into issues, feel free to reach out to me. I can't promise to understand what is under the hood, but I'll give it my best shot – probably not the best analogy; if you have ever benched next to me, you will know that is a low bar (I often tell folks I can hit the broad side of a barn, but I reckon the wood shed is safe!).

Good Shootin'

Mike
