Group Committee Chairman's Report

Jeff Peinhardt

January, 2021 Group Committee Report for the 2021 Shooting Season

Group Committee Members – Jeff Peinhardt, Harley Baker, Russell Rains, Dale Boop, Mark Trutt, Jack Sutton.

I wish to thank the committee for their work in 2021.

A special thanks to Harley Baker– He has served for 2021 tallying the Group Shooter of the Year (SOY), and has passed this responsibility to recent retiree Bill McIntyre. Please welcome Bill assisting us for Group SOY 2022.

2021 Matches:

We had 4 club matches last year and the Group Nationals at Camillus went very smoothly. I would like thank the entire staff at Camillus for holding an excellent group match. Furthermore, a special thanks to Bob Hamister for all his effort in this Nationals.

With respect to group match attendance, I'll defer to the Executive board report where attendance of all the disciplines is discussed in detail...

Awards:

Awards for SOY Group were issued this year. The SOY points are listed on our website for those inquiring. Al Aumen is the 2021 IBS Group Shooter of the year. Great job Al you shot great throughout this year to earn this. Side note: Reviewing the previous Group SOY standings, Al is no stranger to the top of the SOY standings. This will be his 4th time as the top IBS group SOY in the past 8 years.

2022 Group Matches:

- IBS Website lists the current group match schedule for 2022. We will update the schedule if additional matches can be inserted.
- 2022 Group Nationals will be hosted by Fairchance beginning August 15th. We look forward to supporting the Fairchance Rifle Club's effort in hosting our Group Nationals. They continue to make range improvements that shall be well received by all that attend.
- Weikert 2022. "The Boop Shoot" This is a well attended group match that is back on the schedule. Lets spread the word and make this a special event with a big attendance.

2021 IBS Agenda Item Ballot Results

LR1: The first Proposed Agenda Item for consideration will be the for the 1K discipline which would allow additional IBS records for 12 target Score and Group Aggregates and 20 target Score and Group Aggregates. The 1K discipline, in their Shooter of the Year (SOY) program, offers three current formats for competitors to earn SOY points. Two of these formats have two relays/targets that count for SOY points. All IBS 1K have the ability to host 10 SOY matches per year. If accepted, this Proposed Agenda Item change will probably eliminate the original "RELAY THEN SHOOTOFF" format since the Competitors at any club using the original format would no longer have a sufficient number of targets to qualify for these proposed IBS Records.

LR2: This Proposed Agenda Item will be for both 600 Yard and IK disciplines. It includes allowing IBS Clubs the use of Electronic Scoring Systems for the sighter periods only! Currently, the IBS Long Range Rule Book prohibits any use of electronic scoring systems to be used during a registered match.

LR 3: The third Proposed Agenda Item pertains to the 1K discipline and gives all IBS 1K Clubs the option to reduce the time of the Sighter Period to three (3) minutes instead of six (6) minutes. The first sighter period of each match would remain at six minutes. This proposal is similar to how the 600 yard discipline runs its matches

New Business

2022 Long Range Agenda Items

LR#1

The addition of an Unlimited Class of competition. Many of the restrictions of the Light and Heavy gun classes are removed. Rail guns will be allowed. The purpose of this class is to see if more innovation results in higher precision and smaller groups in Long Range.

LR#2

To remove language from our Long Range Rule Book that no longer has a purpose. Virginia 1K is no longer a member of the IBS so no special considerations need to be offered them.

LR#3

To remove language in our Long Range Rule Book that is considered ambiguous concerning the allowance of non IBS members to participate in our LR matches.

In current LR rulebook Line 541 remove word “Individual” replace with the words “IBS Member”

LR#4

To add language to our Long Range Rule Book that would include the Tactical and Factory Classes that we have been experimenting with for the last year.

Would be Included in the LR rule book starting in table of contents between line 75 and 76

Wording will be the same as what has been posted in the Factory and Tactical Rules in the Current SOY program That has been used in the 2021 Season. Complete rules have been posted on the website for the 2021 season.

LR#5

To add language to our Long Range Rule Book that would reinforce existing language in our Rule Book that Competitors would not be allowed to fire more than ten shots in a 1000 yard Heavy Gun record period and not more than 5 shots in the record period of 1000 yard Light Gun competition and 600 yard competition.

At the end of line 1392 (1K Light Gun)and 1420 (600 Yard) Add the following any shooter firing more than 5 Shots during a record period will be disqualified.

At the end of line 1365 (1K Heavy Gun) Add the following: Any Shooter firing more than 10 Shots during the record period will be disqualified.

2022 Short Range Agenda Items

Short Range #1 The item for change of rule on requiring all participants to be IBS members to participate in any capacity at an IBS Sanctioned Match, as specifically outlined in lines 106-135 in score rule book, to be changed to anyone may participate in an IBS Sanctioned Match provided they are in good standing with host club holding the match. The non-member would only be participating under a fun status; not to be awarded any SOY points or records that they may have otherwise earned. But, this is being offered in an effort to allow them to see how they might enjoy the sport or even use it as a measure to see how they stack-up against the sanctioned shooters. Also, let it be known that, under some clubs Articles of Incorporation and By-laws, existing limits on participation is in direct violation to which these clubs were formed. Furthermore, in the best interest of the sport, this should open new doors for IBS.

These agenda items will be voted on
on-line after January 14, 2022 Voting
will end on January 28, 2022
