The morning light breaks and shooters begin to set the final touches on their wind flags. Yes, it's time for the Nationals! For what has been a crazy "covid-19" effected year with a lot of cancelled matches, dates being changed and some states still not able to hold matches, many shooters had cabin fever for the Nationals.

Several people had concerns beforehand with even having a match in August at the Mid Carolina Gun Club because of how brutal our summers can be, but Mother Nature really blessed us with a calm weekend. Saturday started with overcast skies and projected highs around 87 degrees, which for August is almost unheard of. A few showers during the day, but nothing that really amounted to much or effected any of the relays. The winds stayed calm and 20 VFS shooters stayed clean and 2 Hunter guns went for 250-10x with Peter Hills creedmoring Ronnie Milford for the top 6 power at 100 Meters. In VFS a familiar face, Wayne France shot a great 250-21x edging out a new face in rookie shooter Will Till at 250-20x.

This is Will's second season in VFS and he has steadily improved and a second place finish at 100 meters is the start of many great finishes ahead for this young man. Speaking of young people, I'm pleased to say we had a great showing of Junior shooters this year and they all deserve to be mentioned, defending rookie of the year Tori Allen was the top junior, followed by first year rookie Remy Logsdon and Gage Logsdon rounded out our three junior shooters. We are all very proud of the way the future of our sport looks with this caliber of young people coming into the game.

Sunday at 200 meters was the Lin Smith show! Lin was running both a heavy and a light varmint rifle and turned in a very impressive 500-17x for the day. This fine work led him to two of the top three places at 200 and a first and fourth in the grand agg. I really can't say enough about how happy everyone is for Lin, he is one good man that those of us in the southeast region are honored to compete with and call a friend.

In the 6 power rifles, Jim Cline turned in an impressive 249-5x at 200 Meters for the win and that led him to his first place finish in the grand agg followed by a solid 245-4x by Ronnie Milford that also led to a second in the grand agg.

Overall we had a good turnout with 35 VFS guns and 8 V/VH guns on Saturday and 34 and 7 on Sunday. Competitors came from as far away as Maine and Michigan and everywhere in between. The food was outstanding with meals available both Friday and Saturday evenings at the range along with lunches Saturday and Sunday. One thing is for certain, if you enjoy great food and great company, then the IBS VFS circuit is something you should come check out, I'm sure you won't be disappointed!

For more information on the Mid Carolina Gun Club, <https://www.midcarolinagunclub.com> . They have a great facility with plenty of room for cleaning/loading, large covered eating area with serving line along with camper spots. I would like to personally thank Jim Cline and the whole Mid Carolina Crew for another great weekend and cherished memory!

A view from the 100 meter line to the rifle line, the Orangeburg swirl is lurking in them trees just waiting to push bullets where they just shouldn't go!
