

RETICLE BUSINESS FOR SALE

This reticle was developed back in 2013 as an improvement in scoring IBS targets. The final design was approved by the records committee and score committee. Since then, the reticle is used at IBS matches as well as by countless shooters to score their individual targets.

The sale includes the following:

- 12 complete reticle packages ready for sale.
- 155 laser etched plates in protective sleeves.
- 36 - 4x4x3 corrugated boxes for individual shipments
- 22 - 9x5x4 corrugated boxes for up to 3 per shipment
- List of vendors and the latest invoices
- Folder containing the technical data used in the etching of the plates

These supplies have a total value of \$425.00.

These supplies are packed in 2 containers with shipping cost of \$ 55.00

Sale price is \$ 1,500 for all that is listed above.
