

The Shooter Hall of Fame was established in 2015. It includes 100-200 Nationals scores starting in 1970, with the 200-300 being added starting in 1988. Points can be earned only at IBS Nationals by IBS members. There is a minimum gun requirement of 20 for each discipline for points to be awarded. Shooters earn one point for winning a yardage and two points for winning the grand agg.
