It was the second weekend in June and as has been done for 18 consecutive years the best Score shooters in the country converged on Thurmont Maryland for the biggest shoot of the year The Bud Pryor . Weather as is almost traditional for this event was in the 90's and with no rain. Attendance was good with 50 Guns on the line making it even better attended than the 100/200 nationals. I can attest to this since I did not get around to writing this article till after the Nationals which had 46 guns on the line.

At 100 Yards Paul Bielec won VFS with 250-21x, folloerd by Dave Short with 20x and Tim Henninger with 19x, Randy Perkowski turned in a very respectable 250-12x in Hunter and Allie Euber's 249-12x was top Score in Var-Htr class.

Saturday saw things get tougher as the targets were moved back to 200 yards. Dick Spencer after a poor finish at 100 yards turned in a fine 200 yard score of 250-10x to beat out Roy Hunter 250-9x and Dave Short 250-8x in VFS class. Gary Long won Hunter with a 248-06 score. Dave Thomas shot a 248-7x in Varmint Hunter.

Sunday saw three Thurmont veterans duking it out for the 300 yard VFS win with Dean Breeden finishing on top with 250-9x . Roy Hunter finished 3rd and Kim Llewellyn was 4th both with 250-4x scores. Rookie Shooter Dave Richardson up from Ocala Fl. In his first ever visit to Thurmont took 4th with 249-5x. Gary long once again won the Hunter class with a 243-3x score . KL Miller took Var-Htr with a 246-2x.

When all the points for all three yardages were added up the big winners were Dean Breeden in VFS with a 750-34x, Gary Long in Hunter with a 740-21x and KL miller in Var-Htr with 741-17x. One other point worth mentioning is the fact that Roy Hunter shooting a 6 PPC in a stock of his own design shot the only other 750 (24x) to take 2nd in VFS

class.

One last note the Flying Fish Fundamentals 2 gun award for a VFS Gun and a 6X power gun was also won by Dean Breeden with a 1485-47x score.
