First Match Winter League

Thanks to everyone who came out for our first match of the winter league. We had a beautiful November day for shooting. Rookie Ed Niazi started us off at a blistering pace, having 12 Xs after 3 matches. Unfortunately the conditions caught up with him, but he was on a record pace for awhile. Kim gave us a lesson in patience, waiting out the conditions to win with 250-09X, followed closely by Tim and Carl, who also shot clean. We missed those who couldn't be with us and hope to see everyone out for our next match on December 8th.
