August 11, 2012

**Fairfax Rod & Gun Club  
Manassas, VA  
August 11, 2012**

This is the match report for the match on August 11<sup>th</sup>, 2012, We had 15 VFS shooters and one new factory shooter come out to suffer through the humidity. Temperature wasn't outrageous for August, but you know the rest. Two people managed to stay clean. Robert Llewellyn shot a real nice 250-13X followed by Dick Grosbier for second with 250-06X. Everyone else managed to drop at least one point and some in the multi-point range. All in all it was a fun day. Our next match is September 8<sup>th</sup>. Thanks everyone for coming out.
