2nd Match Winter League

Fairfax Rod & Gun Club December 14, 2013 200 Yards

We had a few hardy shooters come out for the second winter league match. Despite miserable predictions, we had a very good shooting day, even though the scores don't reflect it. Winds were never above 3-5 MPH, and there was no precipitation of any kind (except for the 14 snowflakes I counted at about 8 AM) throughout the match. The next match will be January 4th due to the IBS winter meeting being on the 11th. Hope to see you all there.
