## Fairfax Rod & Gun

Manassas, VA  
11 May, 2013

### Fairfax Rod & Gun Club May 11, 2013 200 Yards

Despite miserable weather forecasts for most of the day, we managed to get in a match with just a sprinkle of rain that never did get the target crew wet. Turnout was light, possibly due to the group shoot at Weikert. Ed was teaching class again as he won with 250-13X. Second was David Apple with 250-10X and Kim Llewellyn came in third with 250-8X. Junior shooter, and rookie, Kevin Donalds Jr had some bad luck and dropped a point in the 4<sup>th</sup> match, but shot 9Xs on a tricky day. Thanks to all who came out, and a special thanks to Ray Beauchesne who does an excellent job scoring. See you all next month.
