## Fairfax Rod & Gun

Manassas, VA  
10 August, 2013

Wayne France, Robert Shaw, Wayne Wadlington, & Mike Moorgan

**Fairfax Rod and Gun Club**

**Aug 10<sup>th</sup>, 2013**

**200 Yards**

We had a great turnout on a day when a record should have been set, at least from looking at the conditions. However, while there were some great targets shot nobody could seem to string enough together to beat Wayne Wadlington's 250-14X. There were at least two targets that looked like they might go for 5X, but the reticle god wasn't smiling. Mike Morgan Creedmoored new shooter Robert Shaw with 250-12X. We had two new shooters in factory class. Robby Davis shot a real respectable 242-4X. Thanks to all the shooters and the helpers who make this possible.
