## Orrington Rod and Gun Club

Orrington Maine  
22 September, 2013

The Orrington Rod and Gun Club had its last IBS match of the year Sunday 9/22/2013. Several regulars journeyed to Thurmont, Md. for the Maryland State shoot so our turn out was a bit light. It was made lighter by a mini gale and torrential day of heavy intermittent rain. I'm certain several regular shooters opted to stay in bed or cozied up to the fireplace.

Winds to put it mildly were borderline wild at times and shooting through the torrential rain was a challenge. Flags blew over, probes were useless and one had to rely on the hair on the back of the neck to figure conditions.

All the hearty souls knew it was going to be a challenge when the opening cannon shot, packed by Fred Martin, proved to be a dud. I've dusted off an 1880's vintage US Army book on the theory and practice of successful cannon fire, and Fred promises to read it before his next attempt.

Orrington would like to thank all the shooters from near and far that helped make 2013 a successful IBS score shooting season at our range. Good luck for the balance of the season, have a safe Winter and we hope to see you all next year. --Greg
