## Thunderstick Benchrest Club

600yd Match - Pueblo, CO

April 7, 2013

We had a decent turnout today but would have liked to have seen more of the shooters from Byers. The weather was a little less windy than last month but by no means easy or pleasant to shoot in. The sun was out and the temps were mostly long sleeve T-shirt suitable. The wind was anywhere between 5 and 20 mph and we didn't set any new range records today. Our only Junior shooter Acasia Creek shot a 2.710" LG group today and Nick Hoier managed a 2.593" HG group for the small group of the day.

Hope to see you all and more on May 4th for our State Match.
