Our 3rd annual CT State score match found a weekend full of beautiful weather, great company, and some great shooting. I will let the results speak for themselves except to say for the winners; they definitely earned their positions. The 200yd stage proved difficult despite the relatively calm conditions - The patient among us prevailed while those who felt they could "shoot through" the condition found themselves victim to mirage and light, but variable winds...at least that was my take on it.

Thanks to the target crew, score keepers, and volunteers that make our matches possible. Benchrest at Bell City continues to thrive and we hope that we will grow in the years to come.

Our next match is July 19th and hope to see you there. Mike
