Fairfax Rod & Gun

Manassas, VA
13 December, 2014

Fairfax Rod & Gun Club December 13, 2014 2nd Match Winter League

The 2nd winter league match turned out to be on a reasonably nice day, although it started out in the 20s. We got up to the low 40s with the usual tricky Fairfax winds. They weren't too strong, and if you didn't like what you were seeing, all you had to do was wait a few seconds and you'd see something else.

Thanks to everyone who came out and to Gary Smith who came out and shot factory with us. I think everyone had a good time.
