### 4th Match Winter League

# Fairfax Rod and Gun Club

## March 8, 2014 200 Yard Match

This was the long awaited last match of our Winter League, and it came not a minute too soon. Conditions were very deceiving with a lot of shots going "over there" when the conditions said they should have been "over here". Thanks to everyone who came out and shot with us and to our support crew. Hope to see you all next month for the beginning of the regular season.
