200 Yard Match

We had a great turnout on what was rumored to have been a rainy miserable day. Fortunately the rain held off until the 4th match and then it didn't amount to much and stopped completely before it was time to pick up flags. Hillary gave us all lessons shooting 250-8X, followed by Dick in 2nd with 250-7X. Both did well staying clean on a subtly tricky day. It often looked like there was nothing out there, but – surprise, there was. Thanks to all who came out. We missed those who couldn't make it. Hope to see you next all on July 12th.
