## Lincoln County Rifle Club

Damariscotta, Maine  
6 April , 2014

The conditions were very windy right from the git-go but predominately out of the woods...until about match 3. All of a sudden a new condition began overriding the prevailing condition big time sending the bullet into the condition showing on most flags. As we were already holding in the 9 ring, going the wrong way was not good. Not good at all. For some of us slower people, it took a while to get a grip on what was the cause. Some of us never did. The few that stayed clean did a great job of steering and they seemed to be in mid-season form while the rest of us showed how rusty we really were.

Randy

## 100 Yard
