1st Match Winter League

Fairfax Rod & Gun Club
November 14, 2015
200 Yard Winter League

The first Fairfax winter league match, despite weather forecasters' prognostications, turned out to be a nice day. The winds were unusually strong considering how the range is protected from a lot of conditions. Then add in a lot of switch and the scores show the rest. Wayne and Tim were obviously shooting in a different match than everyone else, or they were in the "honey hole". "Oh, crap" was the quote of the day. All in all, everyone seemed to have a good time, and that's what counts at the end of the day.
