Fairfax Rod & Gun

Manassas, VA
5 May, 2015

Fairfax Rod & Gun Club May 9 2015 200 Yards

We had a good match today with a light turnout. Conditions were laid down and we went into the match with visions of sugarplums, or lots of Xs anyway, dancing in our heads. Those dreams were quickly extinguished with 9s taking their place. WTF was commonly heard and a lot of head scratching as targets that should have been at least 50-4X came back barely clean. Oh well, fun was had by all. It was still better than the best day I ever had at work!

See you all next time.
