These are the present facilities that will be reviewed by the office of 1st Vice-President and all official committees. This list was compiled from data solicited by the office of 1st Vice-President thru all I.B.S. discipline committee chairpersons (January 2019). This list shall be a guideline and shall not necessarily be all of the facilities reviewed for the awarding of event dates. A range that has never hosted a National event takes priority over a range that has hosted a Nationals in that particular discipline. Also, remember these are guidelines and all awarded dates are subject to review by the office of 1st Vice-President and committees, with the final decision resting in the office of 1st Vice-President as per the I.B.S. rulebook section III A) 3)d – pg 5 rulebook 11 .
