I. Objectives of the International Benchrest Shooters

The development and encouragement of uniform competition to achieve extreme accuracy in firearms, ammunition, equipment and shooting method.

To standardize on an international basis the entire Benchrest shooting program so that the targets, ranges, scoring methods, records and match procedures will be uniform and comparable.

To assist and encourage any individual or organization in the promotion of Benchrest Shooting.

To gather and make available to its members pertinent statistics and technical data.

Safe firearms not qualifying under the definition of various classes set out herein, may be fired in any tournament provided the shooters and competitors be informed that he/she is not eligible for any records, awards, prizes or place in the aggregate, and provided that the range facilities are conveniently available. Should any person develop any rifle, and/or equipment that do not meet existing rules and classifications, the rifle or equipment may be submitted to the directors for evaluation and approval or disapproval.

II. Definitions

- A) **Bench:** A bench shall be a rigidly constructed table of a height to permit a shooter of average height to sit at comfortably by increasing or decreasing the height of the stool on which they sit. It shall be constructed to permit firing from either the right or left side equally.
- B) **Club:** An affiliated Club, as defined in the By-Laws of the Association, or an individual of the Association who owns, leases or controls a range meeting the specifications of a range suitable for holding a Registered Benchrest Tournament may be a Club.
- C) **Range for Registered Tournaments:** A place to shoot not having less than 5 benches on the firing line: it shall have sturdy target frames at measured distances for the firing line not less than 50 yards/meters, preferably 50 and 100 yards/meters.
- D) **Firing Line:** The firing line shall preferably be coincident with the forward edge of the bench, but if it's to the rear of that line, then it shall be conspicuously marked on the bench.
- E) **Tournament:** A tournament is an orderly program of competitive shooting. The words "shoot" and "meet" are synonymous.
- F) **Match:** A match is a single event in a tournament

41 G) Registered Tournaments: A tournament authorized by the appropriate office of the
42 IBS and conducted under these Rules and Regulations in accordance with the official
43 tournament procedures approved by the IBS as set forth in Section III of these Rules.
44

45 H) Rests:

46 **1. Unlimited Class**

- 47 a. Any rest, including one-piece rests, may be used as long as they are not fastened
48 in any way to the bench. A vertical spacer under the rest will be allowed as long
49 it contains no adjustments for windage or elevation. The vertical spacer shall not
50 contain any protrusions, which can be inserted into the bench top or sandbag
51 that sits upon it.
- 52 b. The rifle shall not be physically attached or connected to the rest by any means.
53 It must be able to be lifted free of the rest without disconnecting any device,
54 holder, elastic band or other means designed to retard recoil, affix it in place on
55 the rest or return the rifle to its position before the shot was fired.
- 56 c. Any Bipod may be used in place of the front rest. A rail may be added to the
57 stock solely for the purpose of attaching a bipod. If the rail is wider than a
58 standard picatinny rail (~1") it must be removed if not using a bipod.
59

60 **2. Custom and Factory Class**

- 61 a. A front rest shall support the front part of a rifle; a rear rest shall support the
62 rear part of a rifle; neither rest may be attached to the bench, the rifle, or to the
63 other. The rear sandbag shall be a bag or combination of bags containing sand
64 only. Zirconium silicate, known as "heavy sand" is allowed. No other metallic
65 sand can be used. A vertical spacer under the rear bag will be allowed as long it
66 contains no adjustments for windage or elevation. The vertical spacer shall not
67 contain any protrusions, which can be inserted into the bench top or sandbag
68 that sits upon it. The rear sandbag shall not be contained in any manner. The
69 rear sandbag cannot in any way be attached to the front rest.

70
71 The front sandbag must be such that the rifle can be easily removed in the
72 vertical direction without any front sandbag adjustment. The bag must also be
73 designed to maintain 100% contact with the bottom of the fore-end when in its
74 shooting position. The front bag shall also be a minimum of ½ inch thick in the
75 vertical direction within the width of the fore-end. A mechanical or integral
76 support system of the sandbag is allowed, if there is no contact with the Rifle or
77 fore stock. The Rifle must be in contact with the Sandbag only!

78 Any bipod is permitted as a replacement for the front rest and may be attached
79 to the stock. A rail may be added to the stock solely for the purpose of attaching
80 a bipod. If the rail is wider than a standard picatinny rail (~1") it must be
81 removed if not using a bipod.

- 82 I) **Guiding Means:** Any device, addition, contour or dimension on any rifle of any class,
83 designed or adapted to co-act with mating or reciprocal features of a rest to guide its
84 return to firing position so that it shall not be necessary to re-aim the rifle optically for
85 each shot shall be conclusively deemed to constitute guiding means and are not
86 allowed.
- 87 J) **ECI Empty Chamber Indicator:** a device to be inserted into the empty chamber of a
88 rifle to insure and visually demonstrate that the rifle is in an unloaded and safe
89 condition.

90 III. Tournament Procedures

91 A) Tournaments

92 1) Types of tournaments

93 Tournaments shall be of two general classes: Registered and Unregistered. Only
94 Registered Tournaments shall be considered for record purposes.

95 2) Registered Tournaments

96 Only clubs affiliated with IBS, which are in good standing, and which have the
97 facilities and equipment required to conduct a shoot under the procedures
98 required by the association may hold registered tournaments. Registered
99 Tournaments shall be held only on dates approved by the Chairperson of the
100 Board of Directors (hereafter referred to as "First Vice President").

101 3) Approval of Tournaments Dates

102 a) Any Club desiring to hold a Registered Benchrest Tournament shall apply for
103 assignment of a date for such a Tournament

104 b) The application shall be in the form of a contract entitled "Registered
105 Tournament" signed by the applicant. The application shall be sent to the First
106 Vice President and delivered to this officer not less than 30 days before the
107 Tournament's proposed date. The application shall state:

108 i) The name and address of the host club making the application

109 ii) The location of the range on which the tournament is proposed to be held

110 iii) A program of events to be scheduled. IBS match contracts shall include a
111 provision allowing the host club to insert the types of multiple gun
112 aggregates contested. International Championships are excluded from this
113 provision.

114 c) The First Vice President shall examine the application, consult other tournament
115 schedules, and if the range facilities are approved and no interference with other
116 tournaments exists, shall assign the requested date to the applying club.

- 117 4) IBS Championship Tournaments shall be conducted, if possible, in areas of easiest
118 accessibility to greatest number of IBS competitors. Suitable accommodations and
119 range facilities will also be a factor in selecting the site of Championship
120 Tournaments. Interpretation of the word "suitable" shall be left to the discretion of
121 the First Vice President.
- 122 5) Competitors. Subject to eligibility rules of the Club conducting the shoot and
123 complying with Registration requirements, any shooter may compete in a
124 Registered Tournament.
- 125 6) Types of Tournaments: "Unlimited", "Custom", "Vintage" and "Factory"
126

127 B) Registration

- 128 1) All competitors at every Registered Tournament shall be required to complete a
129 registration form supplied by the IBS and to produce, for inspection, a current IBS,
130 or IBS International membership card. Host Club may waive match fee for first
131 match only. IBS membership is required. The IBS membership requirement for
132 individuals was suspended for Rimfire competition during the provisional period.
- 133 2) The Host Club shall forward to the headquarters of IBS within four weeks of the
134 Tournament, all registration cards together with a registration fee of one dollar
135 per scored target card, per shooter. Warm up targets shall not be included.

136 C) Registration Fees

- 137 1) Each Competitor shall be charged (or have paid on their behalf) a registration fee
138 for each day, **and each class** if more than one, in which they compete. (It is
139 customary for the Host Club to pay the IBS President fees). At its option, The Host
140 Club may charge a registration fee not greater than may be approved by the
141 Directors or may conduct the match and pay the prescribed IBS registration fee at
142 the expense of its own treasury.
- 143 2) A Registration fee of \$20.00 for each Day's course of fire in Championship
144 Tournaments is the maximum fee heretofore approved. If both distances are fired
145 in one day an additional \$20.00 may be charged.
- 146 3) Any non-member may pay the prescribed annual dues at any Registered
147 Tournament and become a member of the IBS.
- 148 4) If any individual shall fail to have a membership card and is unable to furnish
149 reasonable proof of membership by other methods, he/she shall pay, or have paid
150 on their behalf, the IBS membership fee, and upon proof from records that he/she
151 was, on the date of the Tournament, a member in good standing, a refund shall
152 be made to him/her or the Host club as the facts may require.

- 153 5) IBS Junior members (17 and under) registration fees shall be set at ½ the fees for
154 adults.
155 6) Preregistration for IBS championships shall be required at least 30 days in advance
156 of the Championships. Prepayment of fees is not required. However, a written
157 declaration of intent to attend is required. There will be a mandatory late fee of
158 \$10.00 assessed for all registrations received after 30 days prior to the
159 Championship. Should a preregistered competitor be unable to attend, the total
160 fees paid will be refunded.

161 D) Match Entry Fees

- 162 1) At IBS Registered Tournaments, competitors will not be required to pay the cash
163 awards match fee, unless they wish to.
164 2) In those cases where merchandise prizes are to be awarded in lieu of cash, a
165 competitor shall pay the match fee, if they want to compete for same.
166 3) Competitors not paying entry fees will not participate in merchandise or money
167 awards but will receive credit and ranking for groups and aggregates fired,
168 including recognition for any record group or aggregate.
169 4) Any Club holding a Registered Tournament with cash awards and which does not
170 undertake to return 100% of the cash award entry fees shall so state in its
171 program.
172

173 E) Return of Registration Cards

174 All Clubs holding IBS Registered Tournaments must forward to IBS headquarters the
175 registration cards of all competitors who shot in one or more matches on the
176 program. Cards shall be forwarded within four weeks after the tournament and be
177 accompanied by the fees payable to the IBS.
178

179 F) Selection of Relays

180 Clubs conducting Registered Tournaments have the privilege of permitting
181 competitors to select their relay, but the clubs cannot alter the IBS rule governing the
182 selection of benches. (see III.H. 1-9)

183 Any competitor electing to fire rifles in two or more classes may request of the Match
184 Director, prior to drawing their bench, to remain at their drawn bench for the relays
185 they are participating in. (example: relay 1 firing Factory, relay 2 firing Unlimited). The
186 competitor shall rotate benches the same as the other shooters when the time arises.
187

188 G) Appointment of Tournament Officials

- 189 1) In all Registered Tournaments there shall be a Range Officer, Three Referees and
190 an Alternate, a Statistician, and an Official Scorer. The Purpose of the alternate
191 referee is to act in the place of any referee who is shooting and who requests one
192 of their targets to be rescored. Under no circumstances shall a referee judge their
193 own target.

- 194 2) All Officials at Championship Tournaments must be approved by the IBS President.
195 3) No Official, except Referees, shall participate as Contestants in a Championship
196 Tournament in which they are an Official. At the discretion of the host IBS club, a
197 range official may shoot if they are not responsible for providing Range Officer
198 supervision for a Match in which they are participating.
199 4) Referees must be IBS members in good standing. The IBS membership
200 requirement for individuals was suspended for Rimfire competition during the
201 provisional period.
202 5) In all Registered Tournaments, Committee members or Executive Board members
203 cannot serve as Referees.
204

205 H) Drawing for Benches

- 206 1) The Host Club through its representative shall conduct a drawing for benches.
207 One of the Referees or Statistician shall be present to see the drawing is fairly
208 conducted and to represent shooters not present when called upon to draw.
209 2) Late competitors must draw their benches by lot in presence of the Match
210 director, Referee or Statistician.
211 3) Clubs have the option of having but one drawing and requiring each competitor
212 to shoot from the same bench for all matches at all ranges or they may allow two
213 drawings- one for matches at the first distance and one for the matches at the
214 second distance.
215 4) Having drawn a bench or benches, a competitor will not be permitted to make any
216 further changes in relays or benches, except when through some physical
217 condition a hardship results, in which case the Range Officer may change the
218 assignment of bench or relay or both in such a way as to relieve the hardship.
219 5) At Championship Tournaments a system of bench rotation shall be used, whereby
220 each competitor shall draw by their competitor or bench number for the first
221 event of each day or at each range, and for each following event shall move a
222 predetermined number of benches. They may be assigned the same competitor
223 number for all subsequent events at the same Tournament.
224 6) Since rotation of benches is required at IBS Championships and preregistration is
225 also mandatory, the Host Club may draw benches for competitors and assign
226 benches for physical hardships prior to Tournament occurring. This helps to speed
227 up registration at the Tournament and reduces complications.
228 7) Bench rotation may be used at any IBS registered tournament when so elected by
229 the Host Club.
230 8) Host Clubs must state in their program for each Tournament whether they will
231 draw for bench assignments or they will use the bench rotation system.
232 9) A competitor may identify up to three additional competitors to share bench
233 rotation at the time of bench drawing. They must declare the other individual(s)
234 prior to any of the individuals drawing for benches. Pre-registration is encouraged.
235 The Host Club will accommodate the request up to available benches on currently
236 open relays.

I) Inspection of Equipment

- 1) All competitors shall declare which Classification of rifle they will be shooting at time of registration. If two classes are to be fired by the same competitor, both shall be declared and assigned to separate relays. It is up to the competitor to present the correct class rifle on the corresponding relay. It is further the responsibility of the competitor to ensure his or her equipment meets the class requirements prior to beginning the match.
- 2) The Referees shall inspect every rifle on the firing line at all State, Regional and National Championships, preferably as the competitor leaves the firing line, but at the Referees discretion, during the firing of the matches. At the balance of IBS registered tournaments, referees will conduct random rifle configuration checks and will inspect rifles and rests to ensure that rifles will be removable from their front rests without lifting any part of the front rest from its contact points with the bench it is occupying. These two checks are the minimum checks that must be done at all IBS registered matches, before or after a tournament has started.
- 3) Referees will spot check at their discretion rifle configuration and rests. A rifle found to be fitted with illegal components or an illegal rest will result in disqualification of the offending competitor from the aggregate of the Registered tournament in which the illegal equipment is deemed to have been used.

J) Protests and Appeals

- 1) A fee of \$10.00 shall be in place for any target to be rescored. If the target changes score the fee shall be returned to the shooter-otherwise the fee shall be forfeited to the club holding the match. No target may be removed from the, " Wailing Wall" or any other designated target display fixture until all protest periods have expired for that Match. Removal of targets from the Wailing Wall or other target display fixtures by any person other than the Referees, Range/Safety Officer, Scorer or Match Director will result in disqualification from the Tournament. Any competitor found altering, manipulating or changing a target to change the scoring results on a target will be disqualified from the Tournament.
- 2) Any Competitor in a Registered Tournament, who feels aggrieved at a decision of the Range Officer, or Referees, may before leaving the range on the day the grievance arose, upon payment of \$10.00 appeal the decision by filing a written notice of appeal with the Range Officer. The full written grievance must be mailed to the Rimfire committee and postmarked within 48 hours of the tournament. The statement needs to include.
 - a) Reason for appeal
 - b) Rule being broken
 - c) Names of Referees, Range Officer, Scorer, etc.
 - d) Name of Competitor
 - e) Statement must be signedThe Rimfire committee will investigate the appeal and forward the findings to the E-Board, The E-Board's decision is final. If the appeal is upheld, the protest

281 fee will be returned. If the appeal is overruled, the fee will be forfeited to the
282 IBS.

283

284 K) Official Score Bulletins

285 The Tournament Sponsor shall supply every registered competitor with a copy of the
286 official score bulletin which shall be a complete record of all Scores fired and
287 Registered Tournament aggregates. Equipment data shall be listed for a minimum of
288 the top 20 Competitors at Championship Tournaments and top 10 at all other
289 Registered Tournaments.

290

291 L) Programs

292 Upon receiving assignment of the Tournament date, the Host Club may prepare a
293 program for circulation to interested shooters. Posting of the Tournament dates on
294 the IBS website satisfies this rule. The program shall state:

295 1) The name of the Host Club, the location of the Range, and the date of the
296 Tournament.

297 2) The schedule of Events

298 3) The amount of the Registration fee.

299 a) Where offered- the entry fee for each match and a statement that no entry
300 fee shall be required of anyone not desiring to compete for awards.

301 b) A schedule of Cash Awards expressed as a percentage of entry fees collected

302 c) A statement as to whether a drawing for benches shall follow the
303 requirements for Championship Tournament and if not, the number of
304 Drawings.

305 d) The names, address and telephone number of the Secretary and Director of
306 the Club.

307

308 M) Conduct of Tournaments

309 1) Target Detail

310 a) A Target Retrieval Officer shall be appointed by the Host Club and shall be
311 under the immediate control of the Target Captain who shall direct the
312 activities of the crew within the authority reposed in the Captain by the Host
313 Club. The Range Officer shall supervise handling of the targets before and after
314 being placed on and taken off the range. The Target Captain shall be charged
315 with the proper marking and identification of every target and its backer. The
316 marking shall be marked on each target in number easily identifiable from the
317 bench. The retrieval officer shall perform the orderly removal of targets from
318 the frames and the orderly delivery of targets to the Official Scorer. They shall
319 see that the same order is preserved with respect to the backers. They shall
320 not enter the range except by order of the Range Officer and shall be
321 responsible for removal of the crew from positions of hazard giving the "All
322 Clear" signal to the Range Officer.

- 323 b) The foregoing responsibilities shall be met by the observance of a standard
324 operating procedure, in which they shall be instructed by the Range Officer.
325 The following procedure is suggested: Prior to the Tournament, an estimate of
326 the attendance and an estimate of the number of the entries in the several
327 classes shall be made. Enough targets shall be prepared to provide enough for
328 each relay in each class for the first match.
- 329 c) After completion of bench assignments, the Statistician shall prepare and
330 furnish the Range Officer and the Captain of the Target Detail with a copy of
331 the Range Officer Tally, which shall show which competitor occupies each
332 bench in each relay of each match, thereby furnishing information necessary
333 to complete the identification marking of the targets for matches subsequent
334 to match number one, and to avoid preparing targets for any inactive benches.
- 335 d) The Range Officer shall inspect the target frames, target covers, if any, and the
336 backer system, and see that all defects are corrected prior to a match.
- 337 e) **At the discretion of the Match Director**, The Captain of the Target Detail shall
338 distribute the prepared targets to each of the competitors of a match or
339 members of the target crew and instruct them in the theory and practice of
340 keeping targets in order and shall demonstrate the methods to be followed to
341 ensure this result. The Competitors or the designated target crew as specified
342 are responsible for securely attaching the proper target to the target frames
343 after the retrieval officer has completed removing the fired targets. No one
344 shall proceed down range until instructed by the Range Officer.
- 345 f) The Captain shall be the last person to leave the range.
- 346 g) No one can alter or add to targets, target frames, backers and stationary
347 backers without permission of the match director.
- 348

349 2) Preliminary

350 There may or may not be an opening ceremony prior to the Tournament events.
351 If there is one, the Range Officer will wait until it is over before calling the first
352 relay to the first match. The Target detail may still be on the Range, but the
353 preliminaries do not require an empty range.

354

355 3) General Instructions

356 At each Tournament the following will be read by the range officer to each relay
357 prior to the first match of the day of the tournament. All competitors for that relay
358 must be at their bench before the range officer can begin to read the safety
359 instructions. Playing a recording of the instructions is acceptable.

The Safety Instructions to be Read are as follows:

Bolts and cartridges must always be out of the rifle except between the commands “Commence Fire” and “Cease Fire”. In the loading area only, you may insert a stripped and flagged bolt. Having the bolt in the gun at any other time during the Registered Tournament will result in disqualification of the offending competitor from the current match and the remainder of the tournament.

It is mandatory for any rifle, other than a bolt action, to have the action open, magazine removed or empty and an empty chamber indicator installed at all times, except on the firing line between the appropriate commands given by the Range Officer. The ONLY exception is if the rifle is in the loading area and being actively cleaned.

A shot fired after the “Cease Fire” will result in disqualification of the offending competitor from the current match and the remainder of the aggregate. Any shots fired prior to “Commence Fire” will likewise result in disqualification of the offending competitor from the entire tournament.

If I must stop a match prematurely, you will hear an Air Horn or loud Buzzer, then the Command “Cease Fire”. You must leave your rifle alone and wait for follow up commands. A shot after the “Cease Fire” will result in a DQ. Once the situation has been assessed, I will give further instructions. If it is a safety incident, all rifles are to be left untouched until I give other instruction. Otherwise, I will tell you to clear your rifle by firing or by opening your bolts. Before the target crew moves forward, all bolts must be out, and you must step back from your bench. Any time lost will not be charged against your allotted time, and an extra minute will be added to the remaining time, not to exceed the original time allotted.

- a) At every relay of every match the Range Officer shall announce in exactly these words: “This is match number__ relay number__ . You will be allowed_____ minutes to complete your firing. Beginning at five minutes before the time limit shall expire, there will be a final countdown as follows: 5 Minutes, 2 minutes, 1 minute, 30 seconds, 15 seconds, and cease fire.” Please check your competitor and bench #, and please, check your bores, “Ready on the Right, ready on the Left, Ready on the firing line, commence firing”.
- b) In order for the Range Officer and/or Safety Officer to maintain safe control of the firing line, all competitors are to remain seated and quiet at their assigned bench until the Range Officer gives the “Clear the Benches” command
- c) When the match time has expired or when the last shooter has finished their string of fire, whichever shall be earlier, the Range Officer will give the following commands:

409 “Cease Fire. Remove your Bolts. Remove or empty any ~~fixed~~ magazines. Insert
410 ECI’s and remain seated. Show your Bolts over your head or raise your hand to
411 indicate clear”.

412 d) This applies to anytime that a “cease fire” is called and the benches must be
413 cleared to allow target crew or others down range.

414 e) At this point the Range Officer will visually inspect the firing line, with help
415 from appointed Safety Officers, as appropriate, who will signal the Range
416 Officer that all bolts are out with a thumbs up sign. Once the Range Officer
417 confirms that the line is safe, they shall command: “Clear the Benches”.

577 may be used. However, the competitor must complete the match in the time
578 allotted.

There shall be no boisterous conduct on the firing line during the firing of any event. A Rifle Range is no place for pranks and any shooter failing to observe this will be disciplined by the Range Officer.

H) People Down Range:

Should this occur during competition, the shooter must:

1. Remove the bolt from the action. If the bolt cannot be removed, the bolt handle must be fully lifted, if possible.
2. Leave the rifle on its rests and notify range officer, with his permission the competitor can set the rifle on the opposite side of the bench pointed down range and finish the target with another rifle.
3. Immediately inform the Range Officer of the situation and report that he/she has a malfunction resulting in a loaded cartridge remaining in the Chamber.
4. Other than getting up to inform the range officer, the shooter will remain quietly at their bench until the "Cease Fire" is called.
5. After "Cease Fire", no one shall be allowed in front of the Firing Line or behind the Rifle until the situation has been properly resolved, and it is safe to do so.
6. The Range Officer may enlist the assistance of the Referees or other qualified persons to assist the shooter to deal with safely removing the loaded cartridge from the chamber.
7. If the loaded cartridge cannot be removed at the range, the rifle must be cased, but only with the consent of the Range Officer (i.e., the rifle needs the attention of a gunsmith).

876 is no longer used for official matches.

878 official target for rimfire matches.

894

895 **E. Target for Record**

896 1. Any target that a competitor places upon the target frame shall be scored and
897 calculated into the competitors aggregate, regardless of whether or not the
898 competitor shoots any shots into it. Once it is attached to the frame, it becomes a
899 record target for which each competitor is responsible, and which counts into
900 his/her aggregate and overall Standings.

901 2. If a target becomes detached, partially or completely, from the target frame before
902 its completion by the competitor, the competitor shall raise his hand and notify the
903 Range Safety Officer of the problem. If conditions require a suspension of fire to
904 reattach the target, the time of suspension shall not be charged to the time allotted
905 for completion of the relay, an extra one minute will be added to remaining time
906 not to exceed the original allotted time for the relay.

907 3. It is the responsibility of the Match Director to provide suitable, stable target
908 backers upon which competitors may securely attach their targets. If the
909 competitor is having difficulty securely attaching his target to the backer, he should
910 ask the Match Director to replace it with a new one.

911
912 4. Should a competitor, **for any reason**, fail to complete all targets on the schedule, a
913 zero must be included in his or her score for each un-shot target and the total of
914 all those scores divided by the total number of targets in the event. (EX: If an event
915 is stated to be a four-target event, then each competitor is expected to complete
916 all four targets.)

917

918 **F. Scoring:**

- 919 1) All IBS Rimfire targets shall be scored using the **'Best Edge'** scoring method.
920 2) Competitors may shoot the target bulls in any order they wish, however, the 'Miss
921 and Out' tie breaker procedure will follow the bulls-eye numbering printed on the
922 target from target 1 to target 25.
923 3) Any first shot on the target that goes anywhere but on the sighter target can be
924 called by notifying the Range Officer. The competitor will inform the scorer and it
925 will not be scored.

926 When shot placement cannot be determined by visual inspection, an IBS approved
927 reticule will be the only device utilized using the outside diameter of the scribed
928 mark per the caliber used to determine score based on the **best edge**. The target
929 shall be placed on a flat surface in a well illuminated area. The Scorer shall
930 determine if the referees are needed to decide the shot placement. If the Referees
931 are utilized, the letters "RR" will be placed on the target square in question. If the
932 Scorer can determine the proper score alone, the letter "R" will be placed on the
933 target square which was scored.

- 934 4) When an identifiable crossfire occurs on another competitor's target, the low
935 value or identifiable shot shall be transferred to the offenders' target and a
936 penalty of one point deducted. A competitor who shoots a crossfire must not fire
937 on his or her own record bull. To do so may result in disqualification; if it is
938 determined that this was an attempt to conceal a crossfire.
- 939 5) If no identifiable crossfire has occurred, an empty bull is scored as a "O" and is not
940 a disqualification.
- 941 6) If there is more than one shot on a record bull, and no identifiable crossfire has
942 occurred, the lowest shot on the bull will be scored.
- 943 7) Any shot that touches the sighter bounding box on a score target is to be counted
944 as sighter shot.
- 945 8) Any competitor found shooting on an unassigned/ incorrect relay will receive a
946 penalty of a 50 point loss.

947 G) Ties:

948 1) Match Ties

949 a) Match winners are to be decided by score, then score plus "X" count, then miss
950 and out starting with bull number one and continuing through bull number twenty
951 five.

952 b) Miss and Out is the dropping of an "X", 10, 9, etc.

953 c) If a match is still tied, it is broken by the Miss and Out system of the next match.

954 2) Aggregate Ties

955 To break a tie in the aggregate, go to the first match and break the tie by score,
956 then by score plus "X" count. If the tie still exists go to match 2, match 3, match 4,
957 and so on. If the tie is still not broken, use the "Miss and Out" system starting with
958 bull number one on match one and proceed until the tie is broken.
