

IBS 600 YARD SHOOTER OF THE YEAR PROGRAM

The IBS 600 yard SOY Program will be as follows:

IBS 600 yard Shooter of the Year (SOY) honors will be based solely on the points accumulated at 5 sanctioned IBS 600 yard matches per IBS Range per year, these matches are to be determined by the respective club and submitted to the IBS with their match contract. Only one IBS sanctioned club will be able to award SOY points per established and IBS recognized range or facility. In the event an IBS sanctioned Range/Club chooses to loan, rent, lease or merely allow another IBS recognized Club the use of their facilities or resources the host range will be the only club that is allowed the ability to award SOY points. There is no limit as to the number of Clubs a Shooter may accumulate SOY points at, as long as they are the 5 matches per Range mentioned above. The total matches a shooter may use to accumulate SOY points will be further limited to the 14 matches at which they earn the most SOY points from the above 5 matches per Range plus the National Championships. A Match for SOY will consist of either/or Light Gun and Heavy Gun.

Matches held after November 15th will not be counted in current year 600 yard SOY program, but will count in the next year SOY total. Points will be awarded for the two gun overall, Light Gun, Heavy Gun-Score and Group Categories. A Shooter is defined as a person, who has paid the Entry fee and filled out and signed the registration form, a copy of which is to be sent to the IBS after each match. To be counted in the total shooters for match points, the shooter must be sitting at the bench they were assigned when the commence fire command is given.

Points would be awarded on a scale based on attendance and participation of IBS Members only. Points for 2nd place would be one point less than first place. Third place would 2 points less than first place and continue until all points awarded based on the total number of points for first place.

Points for the National Championship will be per the following scale times 1.25. Example: If a shooter won the Light Gun Score championship they would earn 10 points x 1.25 = 12.5 points. It is the responsibility of the individual 600 yard Clubs to submit a schedule of points awarded to each shooter per match for SOY points to the Long Range committee on a monthly basis. The Long Range committee will designate an individual to be "Keeper of the Points", who will submit a report of results to all shooters periodically during the year.

Shooter of the Year awards for the Top Female, Rookie and Junior will also be based on the included SOY point system.

600 Yard Records

SOY points for breaking a single target and match aggregate record will be awarded sequentially each time the new record is set. If a single target record or match aggregate is broken by two or more shooters on the same date then the record would go to the smallest group and highest score shot on that date.

IBS World Record targets may only be shot at IBS Sanctioned matches and by IBS members.

Shooter of the year Points for setting IBS Records will be:

Light/Heavy Gun

Group	6 points
Score	6 points
Group aggregate	6 points
Score aggregate	6 points

Two Gun

Score	6 points
Group	6 points

All Records , Aggregate or Single must be turned in to the Records Committee by December, 1 2018
